

New Combo Kits

Daystar Combo Kits Now Available

Daystar has listened to the needs of our customers and now offers a variety of Combo Kits based on your input! These Combo Kits combine our popular suspension lifts with our 1" body lifts and our Scorpion Shock Absorbers (where applicable) in one convenient part number! Our combo kits are currently available in a variety of different heights for Jeep TJ and JK applications as well as the Hummer H3 and H3T. Raise your vehicle for less and maintain your factory ride quality with Daystar! Contact us for more details.
